

We welcome and accept empty brown or white grocery bags with handles. The bags need to be already doubled. The bags should be large and tall such as those from Trader Joe's. Typical dimensions are 17" high with a 12" base.

These bags may be dropped off during our Kids Club drop off dates and times OR any Tuesday between 12Noon and 1PM.

If you would like to arrange for another time to drop off bags, please [email CSFP Board Member Cathy Boskey.](#)
